### Reservation Messages

#### Zone Leano, Zone Leano Lake

The campsite permit holder must be sixteen years of age or older.

Backcountry Registration allows you to obtain a First Come First Serve interior camping permit up to two weeks in advance of your arrival date for parks that do not offer a reservation service for backcountry camping.

Permits cannot be changed or cancelled after payment has been made, and do not guarantee availability of specific sites.

Backcountry campers should hang their food out of reach from wildlife; at least 4 m above ground and 2 m from tree trunks.

Don't move firewood – Buy and burn firewood locally. Moving firewood from places where invasive insects and diseases have been found can be a violation of the *Plant Protection Act* and can severely damage the health of park forests. For more information about restrictions, visit the [Canadian Food Inspection Agency](#).
